

Bertrand Township Board
Bauer Better Water Systems IFT Revocation Hearing
Thursday, April 14, 2016

Bertrand Township Hall
3835 Buffalo Rd., Buchanan, MI 49107

Supervisor Hicks called the public hearing to order at 7:15 p.m.

Members Present: Hicks, Kuhn, LeClaire, Vite, Zelmer

Public comments were entertained. Resident Jim Rankle expressed a number of concerns with the length of time Bauer has been in default, whether the township would recover their unpaid taxes, etc. Treasurer Kuhn and Supervisor Hicks provided clarification as to how the process works itself out. The township can only do what state law provides, and the county will take over and divvy up any proceeds accordingly per law requirements.

At 7:20 p.m., the Bauer public hearing was closed.

Respectfully submitted,
